TOURNAMENT DETAILS	
1.	Buy-In is \$330 (Prize Pool) + \$70 (Access Fee) = \$400 Total Buy-In PER TEAM. When in the money, participants will be paid out individually, rather than as a team.
2.	Participants can enter and re-enter an unlimited amount of times until the start of level 13.
3.	This tournament will use the "Big Blind Ante" format. The big blind will be paid before the ante. The ante will not reduce. The blinds will increase until the completion of the event.
4.	Each team will consist of two players. Both players must be present at the time of registration.
5.	Each team will choose who starts play first, after that team members MUST switch out at every level change (20 Minutes).
6.	Each team will start with TWO (2) "Lifeline Plaques" that can be used once per team. The "Tag Out" Lifeline can be used by either team member at any time they are not in a hand, to switch out with their teammate (switching the order of who is at the table while everyone else stays the same).
7.	The "Time Out" Lifeline can be used at any time except during the course of another teams timeout. During the course of a Time-Out Lifeline, the team redeeming their lifeline will have 90 seconds to stop the action on the table and consult amongst themselves about the current hand in play. Once the teams 90 second Time-Out is over, teammates must cease conversation and act on their hand in 30 seconds.
8.	With the exception of the use of a "Time-Out" Lifeline (See Line 7.), teammates are PROHIBITED from communicating with one another during the course of an ongoing hand.

3.	Participants who have registered before the tournament start time will have their starting chip stack put into play at the beginning of the tournament and they will be blinded off if the participant is not present.
4.	Net payouts in excess of \$5,000 are subject to federal taxes and reportable winnings, including IRS Form W2-G (or equivalent) being issued and reported.
